

Belleville Aquatic Center -- Summer 2017

Lessons are part of the summer school curriculum and are offered in accordance with the American Red Cross guidelines. Class size is limited to provide an optimal pupil/instructor ratio that will ensure a quality approach to the program. Three sessions of Red Cross certified lessons will be offered this summer. Please see the Summer School link on our website at www.belleville.k12.wi.us for our online registration process. Please consult each session for times, as there will be slight differences each session. **Students MUST be Age 4 by January 1, 2017, to participate in the leveled classes.**

Forms for Pool Passes, Lifeguard and WSI classes that have not been paid for online should be returned to the Belleville Intermediate School Office, 101 South Grant, Belleville. (They will be accepted at both the Elementary and High School offices and forwarded to the Intermediate School via interoffice mail.)

Swimming lessons are not like school grades. Students' progression levels vary over the course of the summer and from year to year. Some students will advance quickly, while others take a bit longer. It is acceptable to take the same level many times; this ensures the student is physically and mentally ready for the next level.

Special Classes

Endurance & Competitive Swimming (Swim Team)

Works on swimmer's endurance, techniques of competitive strokes, starts from blocks, competitive turns, and optional swim meets. Swimmers can sign up for one or both sessions.
