## 2023-24 Academic Standards

Wisconsin Act 55 (2015) requires school boards to provide notice of academic standards adopted under Wis. Stat. 118.30(1g)(a)1 that will be in effect for the upcoming school year. School boards are required to include this notice as an item on the agenda for the first school board meeting of the fiscal year.

At its July 11, 2022, regular meeting, the Belleville Board of Education re-adopt the current [Wisconsin Academic Standards](#), [Common Core State Standards](#), and the [Next Generation Science Standards](#) for the 2022-2023 school year.

- Wisconsin Academic Standards include subject areas such as Agriculture, Art, Business, Health, Music, Physical Education, Social Studies, and World Languages.
- The Common Core State Standards are specific to English Language Arts (Literacy) and Mathematics.
