

## Belleville High School Verification of Service Form Wildcat Service Cord Program

Students working toward the Wildcat Service Cord should refer to the list of approved volunteer activities. If you are not sure if your activity meets the requirements, check with the Associate Principal in the High School office.

**Students must use the Official Verification Form:** Verification forms must be completed for each activity for which a student volunteers and turned into the High School office. Copies will be available in the High School office or online under High School- Wildcat Service Cord Program.
