“ We have had three children go through the school district, kindergarten through graduation. Our kids all had different needs and interests and the School District of Belleville has provided them with individual attention throughout and caring teachers and staff concerned with their development at all stages along the way. ”

– Bart and Angie Morricks

SCHOOL DISTRICT OF BELLEVILLE

MISSION

The School District of Belleville is committed to providing all students with quality, personalized learning that prepares them to meet current and future challenges and opportunities of the 21st century.

VISION

Every student will achieve success and graduate as a lifelong learner, globally competitive and prepared for college, career, and life.

CORE VALUES

We believe the best is yet to come for all our students and for the School District of Belleville. Toward that end, we believe in five central tenets related to the following:

Learning | Relationships | Respect | Excellence | Equity

Small Schools...
BIG
Opportunities

Welcome...

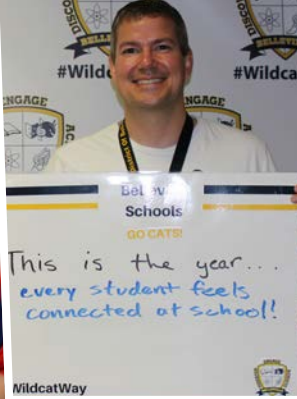

District Administrator, Pam Yoder

We invite you to take a look at the School District of Belleville and experience a small school with large school options. Located just 20 minutes from Madison, the School District of Belleville delivers a traditional, hometown feel with an emerging emphasis on “Personalized Learning” for all students. Together we prepare all students for the demands of the 21st century as citizens, employees, family members, friends, and neighbors. Our educational process provides the foundational skills to equip all students for the future.

The School District of Belleville is on a journey of continuous improvement where students are engaged in high quality teaching and learning. We are committed to providing robust academic programs and offering balanced opportunities in co-curricular activities and the arts. All students 4K through grade twelve have opportunities to learn and compete on a variety of academic teams, including several that have won state championships.

We invite you to share in the School District of Belleville Vision for all students.

“Every Student will achieve success and graduate as a lifelong learner, globally competitive, and prepared for college, career, and life”.
