

SCHOOL DISTRICT OF BELLEVILLE

2017-18 INITIATIVES

Project Lead the Way

- This year we will expand Project Lead The Way (PLTW) for grades K-12. K- 5 PLTW LAUNCH — 6-8 PLTW GATEWAY — 9-12 PLTW Courses
- PLTW is a component of STEM (Science, Technology, Engineering and Mathematics).
- PLTW offers an opportunity for students to discover new subject areas, engage with the community, and achieve their career and educational goals.
- As students progress through these courses, they will grow from learning the basics to having the ability to identify a problem and solve it.

Partnerships in Comprehensive Literacy (PCL)

- The School District of Belleville is affiliated with the WI PCL Center.
- The PCL Center works with districts throughout the State of WI to enhance both teachers' and students' educational experiences.
- The PCL model serves school districts by creating a culture that embraces on-going professional development and collaborative work to engage students in a higher level of learning, resulting in increased student achievement.

One to One Technology

- The 1:1 Technology Plan opens doors for students to discover new information, become more engaged as learners, and achieve success throughout their educational journey.
- 4K-1 have access to an iPad or Chromebook
2nd - 8th are assigned their own Chromebook
9th - 12th are assigned their own Chromebook that may be taken home with parental permission.
