July 1, 2017

Greetings Students and Parents,

While there is still plenty of summer to enjoy, it is that time again to prepare for the start of school. To that end, the Transportation Form that you will find during the online registration period from August 1 through August 13 is critical to setting the routes and bus assignments for the upcoming school year.

The form has been simplified and it is vital that **all students** have a completed form even if they don't plan to use the bus. It tells the staff how your student(s) will arrive and depart school each day. The information gathered from the online registration is the basis for developing the routes. The routes and individual bus assignments will then be distributed individually during the Student Registration Days on August 23 & 24. Please stop by the Transportation Desk during registration to pick yours up as they will not be mailed or posted electronically.

Please feel free to contact me any time with any questions or concerns. My email address is goker@belleville.k12.wi.us. You can call or text my cell at 608-335-4599 as well.

Respectfully,

Rodger Goke
Transportation Director
School District of Belleville
