

Attention Parents!!!!

Let us take the stress out of having to go to the store!

Let the School District of Belleville Food Service Department provide your treats for birthdays, holidays, class snack, etc!

Save yourself some time, keep revenue in the district and provide your child and their friends with a fun, exciting snack.

The Food Service Department can provide any of the packages below. We request a minimum of 1 week notice. We will pack up the items and deliver them to your child's classroom or site of choice. You can contact Stacie Dettwiler at dettwils@belleville.k12.wi.us Prices good for 2024-25 School year
